

BIO-MEDICAL WASTE MANAGEMENT COMMITTEE AIIMS - NAGPUR

Plot No. 2, Sector - 20, MIHAN, Nagpur - 441 108.

D. No: AIIMS-NAG/BMW-MC/2023/C-02

Date: 22.11.2023

MANAGEMENT OF BMW DUSTBINS

A. Timely Requisition for Supply of BMW Dustbins

1. BMW color-coded dustbins (120 Litres, 65 Litres, 45 Litres) are not considered as regular consumables items. These dustbins will be supplied only after the procurement and the procurement can be initiated only upon the submission of a formal requisition. The exception is 10 Litres BMW color-coded dustbins, which will be maintained in stock for immediate indenting by user departments.
2. Requests for BMW color-coded dustbins (120 L, 65 L, 45 L) for newly opening IPD/other wards should be submitted prior to a minimum 45 to 60 days to the scheduled opening. Advanced notice is essential to facilitate timely procurement and ensure availability of requisite BMW dustbins before the commencement of respective new facilities.

B. Replacement of Defective BMW Dustbins

1. The use of defective BMW dustbins in existing facilities is not in compliance with hospital protocols. Identification of defective dustbins lies within the purview of the nursing officer in-charge of respective wards.
2. For replacement, email details of the defective dustbins (color, size, and location) to bmw@aiimsnagpur.edu.in and the BMW Management Committee will address replacements at the earliest opportunity.

C. Return of Unused BMW Dustbins

1. The custody of unused BMW dustbins in the IPD wards/other facilities is deemed objectionable. Unused BMW dustbins must be promptly returned to the BMW Management Committee. An official receipt for the returned items will be provided by the BMW Management Committee for record-keeping purposes.

D. Non-Inclusion of General Waste Management Supply

1. The BMW Management Committee exclusively handles the procurement of BMW color-coded dustbins and explicitly does not engage in general waste management supply.
2. Kindly note that indent requisitions for Green (Wet General Waste), Blue (Non-Recyclable General Waste), and Black (e-Wastes) dustbins will not be processed or supplied by the BMW Management Committee under any circumstances.

Dr. Meena Mishra
Professor and HOD in Microbiology
